

CANYON

Game Wheel CNG-GW3

Speed around the racing track with a more authentic feel and thrilling driving experience with CANYON's CNG-GW3, a steering wheel with foot pedal for PC games. The CNG-GW3 features a dual vibration feedback to add an extra dimension to your favorite game. It also offers an auto-center function, adjustable sensitivity levels, 270° turning radius with a wheel diameter of 22cm, and a Plug-and-Play interface. The steering wheel is fully rubberized for a better grip, and all buttons are conveniently located for faster response. The CNG-GW3 has three large suction cups for a stable base and a textured rubber grips for more control and comfort. It is also compatible with Windows XP and Vista, as well as with Playstation 2 & 3.

Key Features
