Sports armband

iPod Nano / iPod Touch / iPhone 3G/S

This armband offers you the freedom to listen to your favorite music while exercising – hands free and with full access to your device's display. Made of neoprene, the armband has a slim and lightweight design, and fits your device like a glove. It is also easily adjustable for extra comfort, and it protects your music player against perspiration, bumps and scratches. Ideal for sports like running, biking or skiing. Canyon offers armband for iPod Nano, iPod Touch and iPhone 3G/S.
