DESIGNED TO MOVE

## Outdoor Sports Handheld

CNS-DC3

The Weather Master CNS-DC3 is ideal when hiking, wild camping and other activities that can be enjoyed or compromised by Mother Nature's will. It features sensors that measure and display the outdoor conditions: weather forecast, temperature, pressure, altitude and compass direction. It also includes current time, daily alarm, chronograph, timer, pacer and dual time function. The CNS-DC3 is a handheld device with offers a convenient clip to attach it to a backpack or to a belt. This watch is also resistant to shock, water and dust, making it the perfect partner for your activities.
